Drystack Membership @ Blackness provides utmost convenience to get you afloat with minimal fuss and nonsense!

3 hrs notice required to book our professional launch team who will prep and launch to our pontoon, on return if after last recovery @ 6pm we will recover the next morning or leave afloat for added convenience if you plan to use on consecutive days. Once finished we recover, wash off & store ready for next time! Launching operates between 0800 - 1800 daily from Easter - 31st October (Nov 1st -Easter is our winter layup, all then tucked safely away until Easter). This package includes storage, use of facilities, launching and recovery, security access card, parking for 1 car (additional vehicles are £5/day). Whilst reducing your maintenance costs drystack also eliminates the need for a trailer (The option to leave trailers for the duration of your package is additional 4% of your net package price).
